

MER SOLEIL

2022 SILVER CHARDONNAY | MONTEREY COUNTY

Nose: Light lemon zest and inviting minerality.

Palate: Citrus driven, with notes of sweet clementine and mango.

Style: With no exposure to oak, SILVER awakens the palate with a rousing freshness.

Ideal conditions: Chardonnay thrives in the dramatic weather of Monterey county, with cooling breezes leading to a longer growing season.

Farming notes: Grapes ripen more slowly than in other regions, resulting in vibrant acidity with layers of aromas and flavors.

Aging: Stainless steel and unlined concrete tanks allow wine to “breathe,” enhancing SILVER’s minerality and freshness.

Suggested food pairings: Ceviche, oysters, linguine with clams or roasted lemon chicken.

“By fermenting and aging without oak, you bring out all the natural flavors of the vineyard.”

- Charlie Wagner, owner and winemaker
